## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 1-4 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record either singularly or in combination failed to anticipate or render obvious the limitations of filling the trenches by applying a material to the bottom surface of the wafer as required by claims 1 and 3. In the examiner's opinion it would not have been obvious to fill the trenches with the material applied to the bottom surface of the wafer in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
